MEMORANDUM FOR: Director of Economic Research
FROM: Director of Central Intelligence
SUBJECT: Mr. Rawleigh Warner, Jr., Mobil Oil Corporation

1. At the Business Council I invited Mr. Rawleigh Warner, Jr., Chairman of Mobil Oil Corporation, to come to the Agency for a discussion of world oil and energy matters. He indicated considerable interest in doing so and thought he would ask Mr. Charles DiBona of the American Petroleum Institute to come along with him. He said he would call before long and try to make an appointment.

2. If he does do this, I'd appreciate some background on the international energy scene.
